PRINTING:

This print is formatted to print at a finished size of 148mm x 210mm. Print on good quality paper, trim along the crop marks and your insert is ready to go!

This may be printed at home or at a local print shop. If your home printer isn't up to snuff for printing art work, most local print shops will be able to print this out for less than a \$1 a page on cardstock.

NOTE: Do not choose "fit to page." The sizing may be distorted if you choose to "fit to page." Instead, choose "Actual Size" to get the accurate sizing. If you are printing in A4 paper, selecting Actual Size will ensure the insert will be printed at A5.

This printable is for **Personal Use Only**.
